Dear Friends,

We at French Heritage Society hope you will join us for our New York Gala, a **Cabaret Evening Celebrating the City of Lights**, taking place on **Friday, November 12th, 2021 at the University Club**. This highly anticipated, black-tie affair will evoke the Parisian flair that has inspired popular works of Broadway theater. Our honorees, **Bonnie Comley** and **Stewart F. Lane**, are Tony award-winning producers, writers, and the founders of BroadwayHD, an online streaming service on a mission to promote and preserve live theatre, extending the reach of Broadway shows to anyone, anywhere. The evening will include an elegant dinner and music by the Alex Donner Orchestra, featuring a cabaret of Gershwin and chanson classics with special guest performer **Robbie Fairchild**, original star of *An American in Paris* on Broadway.

Under the patronage of our Chairman Elizabeth Stribling, President Count Denis de Kergorlay, and French and American dignitaries, we invite you to participate as a **Dinner Chairman, Co-Chairman, Vice-Chairman** or **Committee Member** for this special evening in support of FHS. We would be additionally grateful if you would consider putting together a group of friends to share in this festive celebration of French-American camaraderie.

As always, proceeds from our gala will provide vital support for French Heritage Society's three-fold mission: preserving the French architectural legacy in France and the United States, cultivating the next generation of preservationists through our Education Program, and promoting French-American friendship.

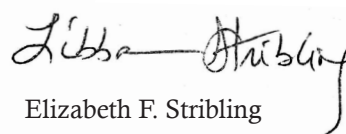

Please note that all COVID-19 guidelines will be observed for the health and safety of our guests.

We truly hope you will consider joining the Benefit Committee for our 2021 New York Gala. Your support in this capacity will make the evening all the more memorable. A response form is enclosed for your convenience. **To be listed on the invitation, please respond by Friday, September 10th, 2021.**
